

Assessment Specifications

General information

Performance Standard	Biology
Level	Scholarship
Mode of Assessment	Written Examination
Year	2014
Standard	93101

Format of the assessment

There will be three questions.

The questions will require analysis of biological contexts and the use of ecological, genetic, and evolutionary concepts to integrate biological knowledge and skills into an extended answer.

Resources or information supplied

Resource or stimulus material will be provided for each question, and it is expected that this will be integrated into each answer.
