9.30 a.m. Thursday 9 November 2017

INSTRUCTIONS TO THE CANDIDATE

Here is the prescribed impromptu performance task:

Improvise a tense scene between two characters in which physical conditions are significant. Your creative choices must also demonstrate the element of focus.

In your justification to camera afterwards, explain how you developed tension and focus.

The content and context of your scene **must not** relate to any material already presented.

You have TWO minutes to plan your performance. You may use pen and paper to plan, but not in your performance or your justification that follows it.

The scene is not to exceed TWO minutes in length.

THE SUPERVISOR WILL TAKE BACK THIS CARD AFTER TWO MINUTES.
