

New Zealand Scholarship Assessment Specifications

Scholarship	
Performance Standard	Geography
Mode of Assessment	Written Examination
For Year	2011

Format of the assessment

The examination will be resource-based.

A geographic context, including place settings and geographic theme(s), will be selected for geographic analysis. A range of resource materials related to the context will be provided. These will allow candidates to become familiar with the settings and theme(s).

Candidates will be required to complete question(s) that involve selecting, extracting, analysing, processing, predicting, justifying and presenting information. Candidates will be required to include relevant original visuals that will enhance their answer(s).

The task(s) will allow candidates to use their geographic knowledge, skills, ideas and understanding to support their answer(s).

The content specified in NCEA Level 3 Geography Achievement Standards will not be specifically assessed.

Candidates should use coloured pencils in their diagrams/maps. Annotations on these diagrams/maps must be in pen. Any work done in pencil will not be eligible for reconsideration.
