

Assessment Specifications

General information

Performance Standard	Geography
Level	Scholarship
Mode of Assessment	Written Examination
Year	2015
Standard	93401

Format of the assessment

The examination will be resource-based.

In 2015, the examination questions and resource booklet will focus on agriculture.

Some resource materials (such as maps, text, photographs, models, graphs, tables, and cartoons) related to this theme will be provided, to assist candidates within this geographic context.

Candidates will be required to complete questions that involve selecting, extracting, analysing, processing, predicting, justifying, and presenting information. Candidates will be required to include relevant original visuals that will enhance their answers.

Candidates will be expected to demonstrate understanding of a range of geographic perspectives and to use their geographic knowledge, skills, ideas, and understanding to support their answers.

Candidates should use coloured pencils in their diagrams / maps. Annotations on these diagrams / maps must be in pen. Any work done in pencil will not be eligible for reconsideration.
