## Section Two: Reading and Speaking

### TASK TWO: SPEAKING

Once the tape has started, your spoken answers to the questions will be recorded.

You are required to read each question aloud onto the tape. Your response, **in German**, should immediately follow the question.

Base your answers on what you have read. You should, as far as possible, use your own words. Do **not** simply read large sections from the text onto the tape. You may use your notes while you are speaking.

The tape will not be paused once you have started speaking. You should aim to talk for about three to four minutes **in German**. The tape will be stopped after seven minutes.

### Questions

Read each question aloud onto the tape.

Your response **in German** should immediately follow the question.

Read Question One and give your response **in German**.

*Welches Problem wird in diesem Artikel beschrieben?*

Read Question Two and give your response **in German**.

*Wenn Diego Ihr Freund wäre, was würden Sie ihm sagen?*

Read Question Three and give your response **in German**.

*Wie fühlen Sie sich kurz vor dem Schulabschluss?*
