Assessment Schedule – 2008 Scholarship French (93004)

Mark The response shows development of ideas that: **are widespread and go considerably beyond the given material **are assembled in a seamless / coherent manner **make minimal use of expressions from the given material **are assembled in a seamless / coherent manner **make some use of expressions from the given material **are assembled in a seamless / coherent manner **make some use of expressions from the given material **are well assembled **are substantial and go beyond the given material **are well assembled **are substantial and make some use of expressions from the given material **are well assembled **are adequate and come from within and / or beyond the given material **are well assembled **make considerable use of expressions from the given material **are well assembled **make some use of the given material **lack coherence **make widespread use of expressions from the given material **lack coherence **make widespread use of expressions from the given material **lack coherence **contain little / no original material **convincing convincing vexpressed ideas that captivate and hold the interested of the intended audience throughout **convincingly expressed ideas that captivate and hold the interested of the intended audience throughout **convincingly expressed ideas that hold the interest of the intended audience throughout and are captivating sometimes ** 6 • fluent, flexible use of language, some of which is idiomatic expressions ** well expressed ideas that hold the interest of the intended audience throughout ** well expressed ideas that hold the interest of the intended audience throughout ** well expressed ideas that mostly hold the interest of the intended audience ** lack of fluency and little evidence of idiomati		iarsnip French (93004)	
are widespread and go considerably beyond the given material are assembled in a seamless / conternt manner make minimal use of expressions from the given material are assembled in a seamless / conternt manner assembled in a seamless / conternt manner make some use of expressions from the given material are assembled in a seamless / conterent manner make some use of expressions from the given material are substantial and go beyond the given material are well assembled are substantial and make some use of expressions from the given material are well assembled make considerable use of expressions from the given material are well assembled make considerable use of expressions from the given material are well assembled make considerable use of expressions from the given material are well assembled are well assembled are well assembled make considerable use of expressions from the given material aleak coherence and widespread use of expressions from the given material aleak coherence contain little / no original material Communication: Communicates fluently throughout in a manner that is both flexible and convincing Communication: Communicates fluently throughout in a manner that is both flexible and convincing Communication: Communicates fluently throughout in a manner that is both flexible and convincing The response demonstrates: a fluent, flexible, use of idiomatic language throughout convincingly expressed ideas that captivate and hold the interested of the intended audience throughout convincingly expressed ideas that hold the interest of the intended audience throughout and are captivating sometimes 6 fluent, flexible use of language, some of which is idiomatic well expressed ideas that hold the interest of the intended audience throughout and are captivating sometimes 6 fluent, flexible use of language, and some use of idiomatic expressions well expressed ideas that mostly hold the interest of the intended audience 7 fluent, flexible use of language, and some use of idiomatic expressions well expres	Information: Extracts information from given material and uses it to express and develop ideas in coherent manner		
are assembled in a seamless / coherent manner make minimal use of expressions from the given material are widespread and go beyond the given material are assembled in a seamless / coherent manner make some use of expressions from the given material are substantial and go beyond the given material are wide assembled are substantial and go beyond the given material are well assembled are substantial and make some use of expressions from the given material are well assembled are well assembled are well assembled are adequate and come from within and / or beyond the given material are well assembled are wel	Mark	The response shows development of ideas that:	
are assembled in a seamless / coherent manner make some use of expressions from the given material are well assembled are substantial and go beyond the given material are well assembled are substantial and make some use of expressions from the given material are well assembled make considerable use of expressions from the given material are well assembled make considerable use of expressions from the given material are adequate and make some use of the given material alca coherence make widespread use of expressions from the given material alca coherence and the discompanies are limited and make some use of the given material alca coherence contain little / no original material Communication: Communicates fluently throughout in a manner that is both flexible and convincing Mark The response demonstrates: 8 • fluent, flexible, use of idiomatic language throughout convincingly expressed ideas that captivate and hold the interested of the intended audience throughout convincingly expressed ideas that captivate and hold the interest of the intended audience throughout and are captivating sometimes 6 • fluent, flexible use of idiomatic language throughout most of the passage convincingly expressed ideas that hold the interest of the intended audience throughout and are captivating sometimes 6 • fluent, flexible use of language, some of which is idiomatic well expressed ideas that hold the interest of the intended audience throughout well expressed ideas that mostly hold the interest of the intended audience 4. 3 • fluent, graph and occasional use of idiomatic expressions ideas that contain some points that hold the interest of the intended audience 4. 1 • lack of fluency and little evidence of idiomatic expressions ideas that make some points that hold the interest of the intended audience 4. 2 • lack of fluency and little evidence of idiomatic expressions ideas that make some points that hold the interest of the intended audience 4. 3 • a very wide variety of complex structures and vocabulary well i	8	are assembled in a seamless / coherent manner	
are well assembled are substantial and make some use of expressions from the given material are well assembled make considerable use of expressions from the given material are well assembled make considerable use of expressions from the given material ack coherence make widespread use of expressions from the given material lack coherence make widespread use of expressions from the given material lack coherence contain little / no original material communication: Communicates fluently throughout in a manner that is both flexible and convincing Mark The response demonstrates: a fluent, flexible, use of idiomatic language throughout convincingly expressed ideas that captivate and hold the interested of the intended audience throughout fluent, flexible use of idiomatic language throughout most of the passage convincingly expressed ideas that hold the interest of the intended audience throughout and are captivating sometimes fluent, flexible use of language, some of which is idiomatic well expressed ideas that hold the interest of the intended audience throughout fluent, flexible use of language, and some use of idiomatic expressions well expressed ideas that mostly hold the interest of the intended audience lexible use of language, and some use of idiomatic expressions well expressed ideas that mostly hold the interest of the intended audience lack of fluency in parts and occasional use of idiomatic expressions ideas that contain some points that hold the interest of the intended audience lack of fluency and little evidence of idiomatic expressions ideas that contain some points that hold the interest of the intended audience lack of fluency and little evidence of idiomatic expressions ideas that make some points in a more pedestrian way language: Language: Sustains high quality of accurate language using a wide variety of complex structures and vocabulary well integrated into the passage very few minor errors in language, none hindering communication a wide variety of complex structures and vocabula	7	are assembled in a seamless / coherent manner	
are well assembled	6	are well assembled	
lack coherence	5	are well assembled	
lack coherence contain little / no original material	4, 3	lack coherence	
Mark The response demonstrates: • fluent, flexible, use of idiomatic language throughout • convincingly expressed ideas that captivate and hold the interested of the intended audience throughout • convincingly expressed ideas that captivate and hold the interested of the intended audience throughout • fluent, flexible use of idiomatic language throughout most of the passage • convincingly expressed ideas that hold the interest of the intended audience throughout and are captivating sometimes • fluent, flexible use of language, some of which is idiomatic • well expressed ideas that hold the interest of the intended audience throughout • fluent, flexible use of language, and some use of idiomatic expressions • well expressed ideas that mostly hold the interest of the intended audience 4, 3 • fluency in parts and occasional use of idiomatic expressions • ideas that contain some points that hold the interest of the intended audience 2, 1 • lack of fluency and little evidence of idiomatic expressions • ideas that make some points in a more pedestrian way Language: Sustains high quality of accurate language using a wide variety of complex structures and vocabulary Mark The response shows: 8 • a very wide variety of complex structures and vocabulary well integrated into the passage • very few minor errors in language, none hindering communication 7 • a wide variety of complex structures and vocabulary integrated into the passage • few errors in language, mostly minor, and not hindering communication 6 • a variety of complex structures and vocabulary integrated into the passage • few errors in language, these errors do not hinder communication 5 • a variety of complex structures and vocabulary integrated into the passage • few errors in language, these errors sometimes hinder communication 4, 3 • a variety of complex structures and vocabulary integrated into the passage • few errors in language, these errors sometimes hinder communication • a variety of complex structures and vocabulary integrated into the	2, 1	lack coherence	
* fluent, flexible, use of idiomatic language throughout convincingly expressed ideas that captivate and hold the interested of the intended audience throughout * fluent, flexible use of idiomatic language throughout most of the passage * convincingly expressed ideas that hold the interest of the intended audience throughout and are captivating sometimes * fluent, flexible use of language, some of which is idiomatic * well expressed ideas that hold the interest of the intended audience throughout * fluent, flexible use of language, and some use of idiomatic expressions * well expressed ideas that mostly hold the interest of the intended audience 4, 3 * fluency in parts and occasional use of idiomatic expressions * ideas that contain some points that hold the interest of the intended audience 2, 1 * lack of fluency and little evidence of idiomatic expressions * ideas that make some points in a more pedestrian way Language: Sustains high quality of accurate language using a wide variety of complex structures and vocabulary Mark	Comm	unication: Communicates fluently throughout in a manner that is both flexible and convincing	
convincingly expressed ideas that captivate and hold the interested of the intended audience throughout fluent, flexible use of idiomatic language throughout most of the passage convincingly expressed ideas that hold the interest of the intended audience throughout and are captivating sometimes fluent, flexible use of language, some of which is idiomatic well expressed ideas that hold the interest of the intended audience throughout fluent, flexible use of language, and some use of idiomatic expressions well expressed ideas that mostly hold the interest of the intended audience fluency in parts and occasional use of idiomatic expressions ideas that contain some points that hold the interest of the intended audience lack of fluency and little evidence of idiomatic expressions ideas that make some points in a more pedestrian way language: Sustains high quality of accurate language using a wide variety of complex structures and vocabulary The response shows: a very wide variety of complex structures and vocabulary well integrated into the passage very few minor errors in language, none hindering communication a wide variety of complex structures and vocabulary will integrated into the passage few errors in language, mostly minor, and not hindering communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors do not hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication	Mark	The response demonstrates:	
convincingly expressed ideas that hold the interest of the intended audience throughout and are captivating sometimes fluent, flexible use of language, some of which is idiomatic well expressed ideas that hold the interest of the intended audience throughout fluent, flexible use of language, and some use of idiomatic expressions well expressed ideas that mostly hold the interest of the intended audience fluency in parts and occasional use of idiomatic expressions ideas that contain some points that hold the interest of the intended audience lack of fluency and little evidence of idiomatic expressions ideas that make some points in a more pedestrian way language: Sustains high quality of accurate language using a wide variety of complex structures and vocabulary The response shows: a very wide variety of complex structures and vocabulary well integrated into the passage very few minor errors in language, none hindering communication a wide variety of complex structures and vocabulary well integrated into the passage few errors in language, mostly minor, and not hindering communication a wide variety of complex structures and vocabulary integrated into the passage few errors in language, these errors do not hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication a variety of complex structures and vocabulary seldom integrated into the passage errors in language that hinder overall communication a limited range of complex structures and vocabulary seldom integrated into the passage	8		
 well expressed ideas that hold the interest of the intended audience throughout fluent, flexible use of language, and some use of idiomatic expressions well expressed ideas that mostly hold the interest of the intended audience fluency in parts and occasional use of idiomatic expressions ideas that contain some points that hold the interest of the intended audience lack of fluency and little evidence of idiomatic expressions ideas that make some points in a more pedestrian way Language: Sustains high quality of accurate language using a wide variety of complex structures and vocabulary a very wide variety of complex structures and vocabulary well integrated into the passage very few minor errors in language, none hindering communication a wide variety of complex structures and vocabulary well integrated into the passage few errors in language, mostly minor, and not hindering communication a wide variety of complex structures and vocabulary integrated into the passage few errors in language, these errors do not hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication a limited range of complex structures and vocabulary seldom integrated into the passage 	7	 convincingly expressed ideas that hold the interest of the intended audience throughout and are captivating 	
 well expressed ideas that mostly hold the interest of the intended audience 4, 3 fluency in parts and occasional use of idiomatic expressions ideas that contain some points that hold the interest of the intended audience 2, 1 lack of fluency and little evidence of idiomatic expressions ideas that make some points in a more pedestrian way Language: Sustains high quality of accurate language using a wide variety of complex structures and vocabulary Mark The response shows: a very wide variety of complex structures and vocabulary well integrated into the passage very few minor errors in language, none hindering communication a wide variety of complex structures and vocabulary well integrated into the passage few errors in language, mostly minor, and not hindering communication a wide variety of complex structures and vocabulary integrated into the passage few errors in language, these errors do not hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary mostly integrated into the passage few errors in language that hinder overall communication a limited range of complex structures and vocabulary seldom integrated into the passage 	6		
 ideas that contain some points that hold the interest of the intended audience 2, 1 lack of fluency and little evidence of idiomatic expressions ideas that make some points in a more pedestrian way Language: Sustains high quality of accurate language using a wide variety of complex structures and vocabulary Mark The response shows: a very wide variety of complex structures and vocabulary well integrated into the passage very few minor errors in language, none hindering communication a wide variety of complex structures and vocabulary well integrated into the passage few errors in language, mostly minor, and not hindering communication a wide variety of complex structures and vocabulary integrated into the passage few errors in language, these errors do not hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication a limited range of complex structures and vocabulary seldom integrated into the passage 	5		
 ideas that make some points in a more pedestrian way Language: Sustains high quality of accurate language using a wide variety of complex structures and vocabulary Mark The response shows: a very wide variety of complex structures and vocabulary well integrated into the passage very few minor errors in language, none hindering communication a wide variety of complex structures and vocabulary well integrated into the passage few errors in language, mostly minor, and not hindering communication a wide variety of complex structures and vocabulary integrated into the passage few errors in language, these errors do not hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication a limited range of complex structures and vocabulary seldom integrated into the passage	4, 3		
Mark The response shows: • a very wide variety of complex structures and vocabulary well integrated into the passage • very few minor errors in language, none hindering communication • a wide variety of complex structures and vocabulary well integrated into the passage • few errors in language, mostly minor, and not hindering communication • a wide variety of complex structures and vocabulary integrated into the passage • few errors in language, these errors do not hinder communication • a variety of complex structures and vocabulary integrated into the passage • few errors in language, these errors sometimes hinder communication 4, 3 • a variety of complex structures and vocabulary mostly integrated into the passage • errors in language that hinder overall communication 2, 1 • a limited range of complex structures and vocabulary seldom integrated into the passage	2, 1		
 a very wide variety of complex structures and vocabulary well integrated into the passage very few minor errors in language, none hindering communication a wide variety of complex structures and vocabulary well integrated into the passage few errors in language, mostly minor, and not hindering communication a wide variety of complex structures and vocabulary integrated into the passage few errors in language, these errors do not hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication a limited range of complex structures and vocabulary seldom integrated into the passage 	Langu	age: Sustains high quality of accurate language using a wide variety of complex structures and vocabulary	
 very few minor errors in language, none hindering communication a wide variety of complex structures and vocabulary well integrated into the passage few errors in language, mostly minor, and not hindering communication a wide variety of complex structures and vocabulary integrated into the passage few errors in language, these errors do not hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication a limited range of complex structures and vocabulary seldom integrated into the passage 	Mark	The response shows:	
 few errors in language, mostly minor, and not hindering communication a wide variety of complex structures and vocabulary integrated into the passage few errors in language, these errors do not hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication a limited range of complex structures and vocabulary seldom integrated into the passage 	8		
 few errors in language, these errors do not hinder communication a variety of complex structures and vocabulary integrated into the passage few errors in language, these errors sometimes hinder communication a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication a limited range of complex structures and vocabulary seldom integrated into the passage 	7		
 few errors in language, these errors sometimes hinder communication 4, 3 a variety of complex structures and vocabulary mostly integrated into the passage errors in language that hinder overall communication a limited range of complex structures and vocabulary seldom integrated into the passage 	6		
 errors in language that hinder overall communication 2, 1 a limited range of complex structures and vocabulary seldom integrated into the passage 	5
